

ON-LINE RESOURCES FOR STUDENTS TO SUPPORT JOB SEARCH

The following is a list of Toronto-area agencies and resources that will help with your job search. Some have specific programs in place for people with disabilities, others will assist with your job search. Don't forget that Career Advisors on campus are also here to help – with your resume as well as interview prep and practice!

Humber College Community Employment Services is one of the Employment Ontario service providers selected to deliver the Ministry of Training and Colleges and Universities' new youth employment program: **Youth Job Link**

Youth Job link is aimed at youth, including students, who do not face significant barriers to employment. Services will include access to job search resources and information to help them transition to the labour market, including summer employment.

Students with disabilities may also be able to receive additional funding.
