WEEKLY ASSIGNMENTS DUE DATES WORKSHEET

FOR MORE, VISIT
careers.humber.ca/resources

Don't rely on classmates, your Course Instructor or your memory to check Blackboard to know when assignments are due, and tests are coming up. Take all the dates from the critical paths on Blackboard and write them down in one spot, below. This will help you plan and prioritize based on deadlines and how much assignments are worth.

You can also use the [Assignment Calculator tool](#).
