Employer Incentives

Humber is able to provide financial incentives to employers to subsidize the hiring of our clients.

This directly improves your chances of securing employment within the organization.

CANADA ONTARIO JOB GRANT

Your employer can receive up to \$10,000 in financial incentives towards your training through Continuing Education

Success Stories

"Meeting the Employment Advisor at Humber's community employment centre was a pivotal point in my career. She helped me feel confident and understand what is truly required to stand out in front of employers."

- Nazmul H.

Humber College Community Employment Services has supported job-seekers to secure various roles in the fields of Accounting, Logistics, Warehousing, Engineering, IT, Skilled Trades and many more.
