Discover Ability Network

Discover Ability Network is a job-matching online portal and resource that connects people with disabilities directly to Ontario employers.

Web site: <https://discoverability.network>

March of Dimes

March of Dimes is an approved Ontario Disability Supports Program service provider. It helps people with disabilities achieve greater independence by providing them with job training and finding them employment.

Web site: www.marchofdimes.ca/en-ca

Ontario Internship Program

Ontario Internship Program provides paid internships across a wide spectrum of fields (Communications, Economics, Health, and more). As a government and diversity employer, diverse candidates such as persons with disabilities are encouraged to apply.

Web site: www.internship.gov.on.ca

The Federal Student Work Experience Program (FSWEP)

The Federal Student Work Experience Program (FSWEP) provides students with learning opportunities through valuable, hands-on work experience. As a government and diversity employer, diverse candidates such as persons with disabilities are encouraged to apply.

Web site: <https://www.canada.ca>

Federal Internship Program for Canadians with Disabilities

[The Federal Internship Program for Canadians with Disabilities](#) is a national program that offers internships to Canadians with disabilities. Interns will have the opportunity to develop their work skills and increase their employability. This program will offer 2-year internship opportunities in the federal public service to 125 persons with disabilities between 2019 and 2024.

AMI TV Paid Internships for Students with Disabilities

[Accessible Media Inc. / AMI Internships](#) Exciting opportunities await students who have a passion to make a difference every day. AMI will provide a challenging and rewarding experience in the Broadcast industry in a wide variety of technical, business and creative roles.
