Who Uses an ePortfolio?

Job seekers like YOU. It's not just for artists!
An online portfolio provides visual examples of your knowledge, skills and accomplishments while providing you with a professional online presence.

Why Use an ePortfolio?

4 in **5**
employers

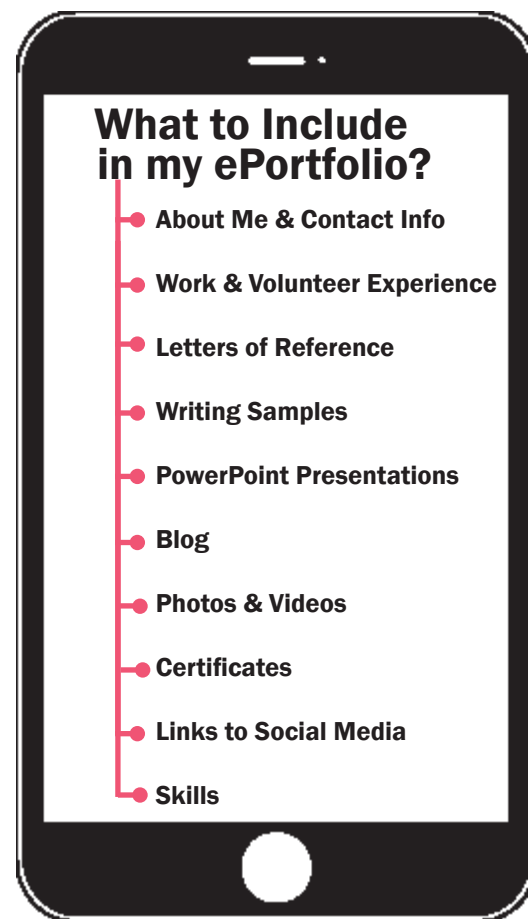

“say an electronic portfolio would be useful to them in ensuring that job applicants have the knowledge and skills they need to succeed in their company or organization.”

- Association of American Colleges and Universities

The ePortfolio Provides These Benefits:

- An opportunity to demonstrate your skills and talent
- Create a virtual resume using multimedia tools
- Showcase and validate your achievements
- Feature multiple examples of work
- Visualize what you have learned
- Track work in progress
- Defend accomplishments and learning
- Enrich the context by including course curriculum, assignments, academic projects

What ePortfolio Platforms Should I Use?

Make a detailed plan of what you will include before you start building it online
