HLO EVENT HIGHLIGHT

MARCH 26, 2026

The HLO Event gave students the opportunity to explore and develop key skills that support both academic success and future career growth.

Through interactive activities, students engaged with core Humber Learning Outcomes including communication, collaboration, critical thinking, and inclusion.

This experience encouraged students to reflect on their strengths while gaining a better understanding of the skills employers value most.

THIS EVENT HELPED ME UNDERSTAND WHAT EMPLOYERS ARE REALLY LOOKING FOR.

HLO EVENT HIGHLIGHT

MARCH 26, 2026

Which skills did students connect with most?

“STUDENTS ARE DRAWN TO SKILLS THAT CHALLENGE THEM TO THINK, CREATE, AND LEAD.”

What mindset did students resonate with?
