EVENT HIGHLIGHT

MARCH 11, 2026

STUDENT SIDE HUSTLE EXPO

The Side Hustle Expo gave students the opportunity to explore different ways to earn, create, and build beyond the classroom.

Through conversations with student entrepreneurs and local vendors, attendees gained insight into how side hustles can grow from simple ideas into real income streams.

This event encouraged students to think creatively about their skills, interests, and how they can turn them into opportunities.

SEEING OTHER STUDENTS RUN THEIR OWN BUSINESSES MADE IT FEEL MORE POSSIBLE FOR ME.
