

Accessing Opportunity:

Employment Resources for People with Disabilities

Thanks for joining us!

The event will begin shortly.

- To see **closed captioning**, you will have to turn it on (More → Language & Speech → Turn on live captions)
- This event is a **webinar format** — audience cameras and microphones are turned off
- Use the **Chat** function for general comments or questions, and the **Q&A** function for questions for the speakers
- You can download a copy of the **slide deck** from the Chat
- The symposium is being **recorded**. The video and slides will be posted on the Transition to Work website in the coming weeks.

Accessing Opportunity:

Employment Resources for People with Disabilities

March 12th, 2025

ASL INTERPRETERS

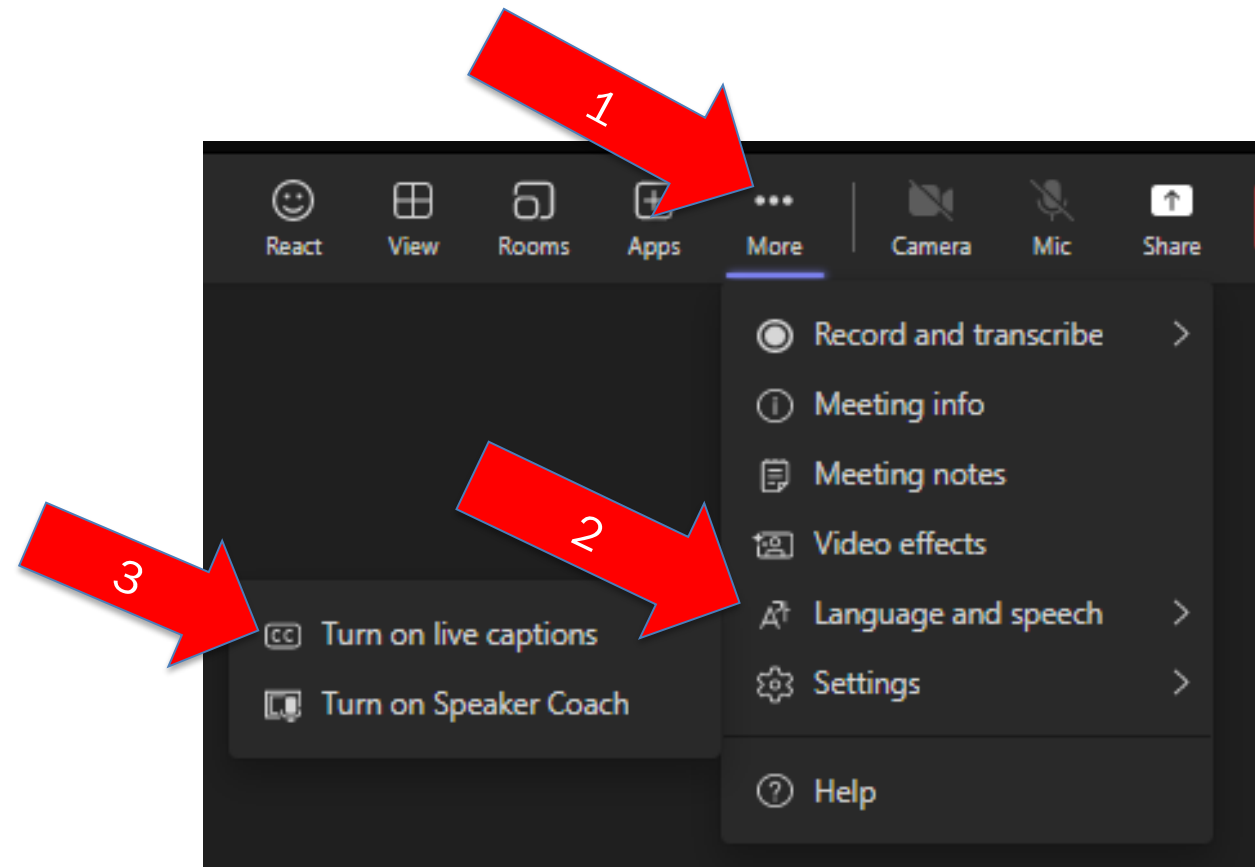

American Sign Language Interpreters, Cynthia & Melanie, will be providing interpretation for today's event.

Each speaker and ASL interpreter will be automatically spotlighted on the screen.

CAPTIONING

To turn on Auto-Captioning:

1. “More”
2. “Language and speech”
3. “Turn on live captions”

LAND ACKNOWLEDGEMENT

ENGAGEMENT GUIDELINES

- Comments and technical questions can be typed in the **Chat**
- There will be a Q&A session after both speakers have presented
- Questions for the speakers should be made in the **Q+A** box. We will do our best to answer as many as time allows. Please keep your questions brief.
- Please keep your questions and comments **polite and respectful** – remember intention versus impact of your statements.

AGENDA

TIME	ACTIVITY
12:00 noon	Welcome & Land Acknowledgement
12:10 pm – 12:45pm	Overview of employment agencies & My Job Match Demo
12:45pm	Q&A

Questions? Contact Careers@Humber.ca

QUESTIONS from the Chat

Please use the Q&A function in Teams to post questions for the presenters.

We will get to as many questions as we can.

Additional Community Resources

- An exclusive online job platform created by and for people who have a disability.
- Employers who post jobs to the platform are demonstrating an intentional commitment to disability inclusive hiring.
- Free for job seekers.
- Jobs Ability uses AI to assist job seekers in creating their online profiles and provides recommend matches to both the job seeker and employer.
- Businesses can invite you to apply for their job opportunities.

<https://JobsAbility.ca/>

Additional Community Resources

- Skilling Up is empowering Canadians with disabilities by offering free, online learning for beginner, intermediate, and advanced users, to help grow their technology skills and unlock opportunity.
- The service provides clear training paths for specific tech and tech-enabled careers with in-demand soft skills and tech accreditation with Microsoft Certificates, and LinkedIn Learning certifications.
- Upon completion of one of the Skilling Up online programs, you can request to be matched with a mentor and/or a Job Developer to help you navigate your transition to the workplace.

Students with Disabilities Resources

[Student Services](#) / [Students with Disabilities Resources](#)

As graduates with disabilities increasingly join the workforce, numerous resources, both online and in-person, are available for your assistance.

Remember the [Career & Student Success Advisors](#) are here to help - you can set up a meeting to explore career options, get help with job interview preparation, or just for general advice as you begin your job search.

Stay up to date on our Transition to Work for Persons with Disabilities events, by checking out our [event site](#). These events are focused on helping students and recent grads with disabilities build career-ready skills for meaningful employment.

On-Campus Support for Students with Disabilities

Transition to Work

The Transition to Work Program aims to enhance successful career outcomes and strategies for persons with disabilities through hosting workshops and events, and connecting learners with college support staff, employers, alumni and community agencies.
