Building Your Career with a Disability: An Industry Conversation with Alexandria Fisher

Senior Director, Environment & Sustainability, Ontario Stone, Sand & Gravel Association

Join us for an open and engaging conversation with Alexandria Fisher as she shares her personal and professional journey, including receiving a later-in-life diagnosis and navigating her career with a disability.

Alexandria will talk about building a successful career across **finance, environmental sustainability and leadership**, while sharing insights, advice and practical perspectives for students preparing to enter the workforce.

Whether you **identify as a person with a visible or non-visible disability**, are exploring how to navigate your career and workplace, or simply have an interest in sustainability and leadership, this conversation is for you.

Come hear a real career story, ask questions and connect with an industry leader.
